New to the park:

We have upgraded the wireless internet service at the resort by bringing in two high speed T1 internet service lines. That means much faster speeds and no bandwidth limitations. To offset our increased cost to bring this improved service to you, a nominal fee of \$10 per week will be charged for those who use the internet. We also intend to add a range extender to boost the service further out into the park.

We have several garbage cans throughout the park. If a can is overflowing use the adjacent can or let us know, and we will come pick it up for you.

Recreational equipment: May be checked out at the front office. Scooters and skateboards are not allowed in the resort. When riding your bicycle please wear a helmet.

Please do not park on our lawns, we take pride in our beautiful landscape. Park in designated areas only. Thanks!

Pool and Spa hours: 9am to 10pm unless otherwise posted. You must be 14 years or older to use the pool or be accompanied by an adult.

Late check-ins: call to notify us if you are arriving after 10pm.

Max 8 persons per site and 2 vehicles per site. Check with security before using a fire pit. If you have hot ashes or coals left over from a fire or BBQ, let us know and we will be happy to dispose of them for you.

Please do not leave your campsite unattended for more than 24 hours. If you do plan on leaving overnight, notify our security or front office. 10pm is quiet time. We appreciate that you don't share your loud music with everyone. Barking dogs and unleashed dogs will be asked to leave the park.

Earn referral cash. Refer friends and family for a tour and receive benefits of the referral program we offer. Feel free to call us or stop by the front office if you would like some referral cards. Thank you to those who sent in referrals. This program assists with new improvements for your park.
